Dr. David Bowser is a product of the Mid-Atlantic (formerly Washington) district, having spent many of his formative years in the State College and **New Cumberland** churches. He is also the product of both this region, having graduated from Eastern Nazarene College in 1979, and of our denomination, having earned his Master of Divinity degree from Nazarene Theological Seminary in 1983 and his Doctor of Ministry degree from NTS in 1996. He is Nazarene through and through. Dave pastored the Westminster church on this district. At the time, Westminster was a small church which had been plateaued for some time and seemed to possess no real sense of mission. Under his leadership, the church experienced significant growth, relocated to its present location and developed a new sense of vitality and mission.

It was during this time that he was ordained to the Christian ministry at our district assembly in 1986. In 1989 the Bowers moved to the Lansdale, PA, church. Due to internal conflicts, this congregation was spiraling downward. Dave accepted the challenge, addressing it with courage and wisdom. Today Lansdale is a vibrant, growing church with a strong sense of mission. Dave's successor has publicly declared that his congregation's turnaround would not have been possible without the foundation Dave laid. In 1992 Dave became the Youth in Mission Coordinator at Nazarene headquarters. While this assignment was brief, it instilled within him a deeper passion for mentoring young leaders and a broader perspective on the international mission of the church. 1994 took the Bowers to Manchester, CT. This church was facing multiple challenges, but once again rather than ignoring these issues, Dave addressed them with courage and wisdom. For the past 16 years, Dave has led the West Flint, MI, church. When he arrived, the church was a fairly typical suburban church that had little to do with the city. Today it is a church that is driven by mission. After Hurricane Katrina, Dave led his congregation in the rebuilding of New Orleans First Church. Over the years, West Flint has become more and more engaged in the inner city of Flint, addressing the issues of poverty, marginalization and injustice. Dave and Diane have been married for almost 37 years. She has always been his strong supporter and partner in ministry but is also a leader in her own right. Diane is a unique combination of passion and compassion. She is a person of grace, warmth and caring. They have 2 young adult children: Ashley, a social worker in Nashville and more importantly the mother of their only grandchild, and Brandon, a teacher in Boston.
