

Dear Church,

12/2/2020

Beginning Sunday December 6th, Table Life Church will not be holding in-sanctuary worship and will be a live-stream service only. We expect this to last through December and will reevaluate in the New Year. We absolutely hate doing this especially over the holidays, but feel it is necessary to keep the people of Table Life Church safe. We understand that some may not agree or understand this decision. Please know that there are sufficient reasons for this temporary action: rising cases in PA, travel/gatherings over the holidays, the health care system being overwhelmed, test results taking weeks to come back, and illnesses on the rise in our church community.

Here are some other activities/services at Table Life Church that will also be affected:

- 1 - There will be no caroling event.
- 2 - The Christmas Eve Service will be live stream only.
- 3 - Sunday Christian Education remains Zoom only. No Wednesday adult groups.
- 4 - Fuse Youth Group will not meet in-person in December. The Fuse Youth Team will reevaluate in early January.

The staff, Pastor Ray, sound/media team and worship team are committed to making worship as "normal" as possible during this time. The staff want to connect to all individuals or families who may need pastoral care and support. Please do not hesitate to reach out to the church office, Barb Long, Pastor Jeff or Pastor Becky if you need of prayer, connection and/or encouragement!

Thank you and stay healthy!

The mitigation team and staff at Table Life Church
