

Table Life Church has returned to in-sanctuary worship. This has been a slow and incremental return so as to create a safe space for everyone. If you wish to attend, here's what our in-sanctuary worship gatherings look like:

- No more than 40 people total in the sanctuary.
- Assigned seats arranged by family groups and single persons.
- Masks will be required.
- Singing may be very limited.
- Social distancing of at least 6 feet will be required.
- Bathrooms use limited to one person at a time.
- Temperatures will be taken upon entry into the building.
- Nursery will not be available
- Children's Teaching Time will be available sometime in September 2020. Contact Pastor Becky Wolfe to get more information on mitigation practices.
