

Table Life Church has returned to in-sanctuary worship! If you wish to attend, here's what our in-sanctuary worship gatherings look like:

- Currently, no more than 35 people in the sanctuary (25% Capacity).
- The first two rows are unavailable and will be reserved for pastors, church staff, and the worship team.
- Masks will be required-please wear masks over your nose AND mouth at all times except while taking communion.
- Stagger your seating to allow social distancing. The ushers can assist you with this. You and another family/person can sit together if you see each other outside of church.
- Nursery is not available at this time.
- Children's Teaching Time will be available for children age three through 5th grade. Contact Pastor Becky Wolfe to get more information on mitigation practices.
