THE POWER OF INFLUENCE

Lessons Learned from Dominoes:

- Each domino is _____
- Each domino has hidden _____
- Dominoes work best in conjunction with _____
- Dominoes are very _____ when acted upon by an outside force
- There is incredible _____ possible when dominoes interact

¹³"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men.

⁴"You are the light of the world. A city on a hill cannot be hidden. ¹⁵ Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. ¹⁶ In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.

Matt 5:13-16 (NIV)

- Step up and _____ the person that God created you to be.
- We all have a _____ of whether we will just use our influence to look out for ourselves or whether we will exercise our influence and make a difference with others.

HOW DO YOU _____ YOUR INFLUENCE?

I _____ HOW TO USE MY INFLUENCE

Influence can be used in a negative way or it can be used in a positive way — you get to _____.

- _____ – when you let that overpowering negative self take over and you begin to deceive people so that you can get something that is selfish. It's all about personal gain.
- _____ – when you fall back into that old way of acting and thinking, and you begin to try to win at the expense of another person losing.

- _____ – when you produce an effect without forcing a change on someone.

The difference between the three is _____ and _____ !

Will you be God's salt and light to the world around you – choosing to use your influence in a _____ way?
