

New Hope gifted a guest, Kacy, with a donated 2008 Honda CR-V from AAA Central Penn! Thanks to community partnerships we have with Zimmerman's Automotive and AAA Central Penn, Kacy's life has been changed in her journey, and she will now be able to get to important medical appointments and to New Hope for food! New Hope partners year-round with Zimmerman's for its car donation

program, helping to get donated, good-working and reliable vehicles into the hands of people who come to New Hope for help; specifically, people facing barriers in their lives where transportation can make or break a situation.

Thanks to everyone in the community who supports our work of helping people get back on their feet - you really do make a difference!

Back to School items are needed at our Centers. Please check our website to see the complete list and dates. Thank you for your loving support!

Need Help?

If you or someone you know needs help with food or dealing with a financial crisis, please contact us.
