

During the recent pandemic, Bello immigrated to the United States. Struggling to make ends meet with additional barriers as a newcomer, he turned to New Hope for help. We provided him with basic necessities while he waited for his work permit. Bello then enrolled in our Forklift Certification class, which helped him secure a job immediately. His dedication paid off as he was named the **Employee of the Month** within just two months of working.

“Bello’s positive attitude and “can-do” outlook makes him an outstanding addition to the company family. Thanks for all you do for our customers!”

Thank you for your commitment to our programs that pave the way for a stable future.

Commit to the Lord whatever you do, and he will establish your plans.
